

ADA & Accessibility

Updated September 25, 2026

Branson Meadows Events welcomes every guest. We work to make every event accessible and will do our best to meet any accommodation request. If you have a question that is not answered here, call us before your visit and we will help.

Parking and entry

- Accessible parking spaces are located near the main entrance.
- Drop-off is available at the main entrance for guests who need it.

Theater seating

- Wheelchair-accessible seating, with a seat for a companion, is available in the Theater.
- Request accessible seating when you buy tickets, or call us and we will reserve it for you.

Wheelchairs

- A limited number of wheelchairs are available for use inside the building, first come, first served. Ask any staff member at the entrance.

Service animals

- Service animals are welcome. Under the Americans with Disabilities Act, a service animal is a dog individually trained to do work or perform tasks for a person with a disability.
- Service animals must be under the handler's control at all times.
- Emotional support animals, comfort animals, and pets are not service animals and are not permitted inside the building.

Hearing and communication

- We arrange American Sign Language interpreters and captioning for events. Please request them at least 3 weeks before the event so we can coordinate with the event organizer. We reserve seating near the interpreter for you and one companion.

- We arrange assistive listening support with the same 3 weeks' notice.

Planning an accessible event

Event organizers can work with their event coordinator on accessible stage access, room layouts with clear routes, reserved accessible seating, and accessible registration and vendor areas.
